155 Indiana Avenue • Suite 210
Valparaiso, Indiana 46383

Phone: (219) 465-3476

FAX: (219) 465-3830

Email: recorder@porterco.org

www.porterco.org/recorder

Our Recorder's Office is committed to providing excellent customer service.

For liability reasons our office does not provide search services nor give out recording information over the phone. Customers may search the General Index themselves for recorded documents. We have a public access area that includes public computer terminals.

Our records are available to the public, with the exception of military discharges and UCC's, during regular office hours (M-F, 8:30am - 4:30pm CST.) If you cannot come into the office, you may send a representative or contact a title company for assistance. Check the yellow pages for listings. We also have a listing of a few common searchers that you may employ.

Data and images recorded from August 1980 to the present can also be viewed online via our website. We have two remote access products, Laredo (monthly user fee) and Tapestry (\$6.95 fee per search), which are available for users who wish to search for and retrieve data and documents. For Laredo, a user agreement must be signed and submitted to our office for approval prior to viewing any information. Links to these two services are available on our website at www.porterco.org/recorder.

All records prior to 1980 are available in our office in ledger book and microfilm formats.

To request copies of recorded documents by mail you must include payment of \$1.00 per page for the copy(ies) and have the recording number or the book and page number. If you do not have this information, come in person or send a representative to the Porter County Recorder's Office or contact a title company to do a search for you and then place the copy order.

If you should have any questions you may contact us anytime.
